

A letter to the cast of the GI Boar's Head 2023 Festival:

Thank you all for your participation in this glorious event! We are excited to join you in our 43rd year.

Please be aware that we have a limited number of people in the makeup crew this year. As a result, we are asking that some of you apply your own makeup and all of you apply your own foundation. Now don't get concerned...we will help you. Simply follow the directions attached and look at the internet links listed to learn how to do stage makeup.

Anyone who has a specialized role can do their own foundation, and the makeup crew will do the finishing touches.

All other roles should do their own makeup completely. Have fun with it – help each other. You do not need to spend a lot of money on makeup. Drug store or dollar store works just fine. There will be a do-it-yourself foundation station in the makeup room for those who would prefer not to use their own.

While it isn't a perfect solution, it's a solution that will work nicely if everyone cooperates. *Thank you in advance for your patience and understanding.*

The makeup crew will be there for each cast member to assure that every one of you will be able to present yourself in the best way possible for your role in the Boar's Head Festival. May God Bless each and every one of you who have partaken in any way to ensure the success of this incredible event.

Representing the tiny but mighty makeup crew,

A Very Grateful Chris Kane

2023 Boar's Head Festival Makeup Schedule

| | | | | | |
